**CumberlandFest 2021**  
**Proposed Funding Methodology for Participating Youth Organizations**

CumberlandFest Steering Committee heads provide estimates of volunteer requirements for each of their areas of responsibility e.g.: Parking volunteers - 5 people per volunteer shift, 4 hours per shift, etc. This information is required to facilitate the recruitment of the appropriate number of volunteers.

Shortly after volunteer hour requirements are finalized you will be notified and a link to “Sign Up for Volunteer Positions & Hours” will be made available to you. Volunteer assignments will be filled on a first come first serve basis. First round sign-ups cannot total more than the original committed hours on your application; second round sign-ups (if available) will allow you to sign-up for additional volunteer hours if you would like.

**Two tier payment system:**

- a. A guaranteed payment to participating organizations of \$10 for each volunteer hour worked. *(Note: payment is based upon volunteer hours worked, not committed. If CumberlandFest is cancelled for any reason - for all or part of any day based upon weather or any other reason - and volunteers do not work as a result, no payment will be made.)*  
**Each volunteer is required to sign in and sign out** at the control center adjacent to the Diamond Hill Park main parking lot. The sign-in/out sheet is our verification of volunteer hours worked. Volunteers will need to state the organization they are representing, their name, their volunteer assignment, and times committed.
  
- b. After a hold back of funds to accommodate future CumberlandFest financial needs (amount to be determined by the CYAC Board of Directors), at the discretion of the Board, the remainder of net proceeds of CumberlandFest may be distributed to participating organizations based upon each organization’s percentage of total volunteer hours worked during the festival.
